To whom it may concern,

LETTER OF RECOMMENDATION FOR EUGENE NG.

Production Consultant

It is with the greatest of pleasure that I write this letter of recommendation for Eugene Ng.

Eugene has worked with me on numerous projects/events for Faber Image (herein to be referred to as FI), and was posted to Ritz Carlton Millennia Singapore (herein to be referred to as RCMS) in January 2003, till April 2003. He assisted me in the daily running of the events for the RCMS, and fully supported them in all aspects of their audio-visual requirements, as well as getting involved in the planning and execution of various major events for Faber Image.

Eugene specializes in video engineering, and was the chief video professional in the projects he had executed with me. In addition to his primary duties as the V.E. and projectionist, Eugene has also risen to the occasion and taken additional roles as the director for various major projects like SABIC 25th Anniversary, Euromoney, ICICI and P&G Asia Pacific Distributors Conference.

Corporate/Theatrical Production

In addition, Eugene is versatile with lighting and audio equipment, and has assisted his fellow teammates when there are unforeseen emergencies in trouble-shooting, as well as setup.

I understand Eugene will be leaving for Perth next month to further his studies, and he would like to apply for a scholarship. I support his decision, and would like to wish him great success in his future endeavors.

Video/Multi-Media Production
