TESTIMONIAL FOR [REDACTED] 3SG EUGENE NG

3SG NG was enlisted in the Singapore Armed Forces in 23rd June 1999 and, was posted to 1st General Support Maintenance Company (1GSMC) in General Support Maintenance Battalion in August 1999. There he was appointed DX 2IC, until he was posted to SAF Starlight in ROC, Taiwan. He held numerous appointments in Starlight, such as Technical Store I/C, Vespa Store I/C, Mess treasurer, Mess House Member and Internet Coordinator. After he was posted back to 1GSMC, he implemented 5 WITS projects, and took part in the production of several maintenance videos for the Battalion, while performing his primary duties independently. His contributions have thus earned him recognition among his peers and he was awarded "Best Soldier for the month of August 2001" for GSMB. 3SG EUGENE NG has proven that he is an intelligent and obedient soldier.

In conclusion, I recognised his efforts and would highly recommend him as a dedicated worker.
