TESTIMONIAL FOR [REDACTED] EUGENE NG

Eugene Ng was in my class for Digital Effects in his 3rd Year of study in Film, Sound & Video in January 1999. He was allowed to specialize in both Advanced Film Production and Advanced Computer Graphics & Animation, and had managed to do well for both core electives.

Eugene demonstrated his talent and creativity in my class, and was able to incorporate his wicked sense of humor in his class assignments and projects. In addition, his performance as well as the quality of his work were exemplary, and thus his work was always entertaining to watch, and a pleasure to grade.

I hope, therefore, that his achievements would go fully recognized.
