

TO WHOM IT MAY CONCERN,

TESTIMONY LETTER FOR [REDACTED], 3SG EUGENE NG

3SG Ng was posted to Pu Wei Camp on 14 May 2000 and inter-posted to my LAD workshop department as the Vespa I/C. He was appointed the Mess Treasurer and Internet Coordinator, and was later elected the Mess House Member in November 2000. Despite all his secondary appointments, he was still able to execute his primary duties without supervision. 3SG Ng was also heavily involved numerous SAF overseas exercises, and took up active roles in them. His efforts did not go unrecognized, as he was sent back to Singapore for his upgrading course so that he could take up higher appointments in SAF Starlight.

I take this opportunity to congratulate him for the successful completion of his tour of duty in ROC Taiwan, and wish him the best in his future endeavors.
